CAREER OBJECTIVE

Applied Chemistry and Chemical Engineering graduate with B.Sc. (Engg.) and M.Sc. (Engg.), experienced in laboratory analysis, industrial operations, and research. Seeking a relevant technical role in the pharmaceutical or chemical industry to apply analytical skills and contribute to quality, operational efficiency, and continuous improvement through problem-solving, teamwork, and professional growth.

EDUCATIONAL QUALIFICATION

M.Sc. (Engg.) in Applied Chemistry and Chemical Engineering	2025
Gopalganj Science and Technology University (GSTU)	
CGPA: 3.90/4.00 (Appeared)	
B.Sc. (Engg.) in Applied Chemistry and Chemical Engineering	2023
Gopalganj Science and Technology University (GSTU)	
CGPA: 3.73/4.00 1 st among 41 students, B.Sc. (Engg.)	
Degree Conferred on: 10 th Sep, 2025 <i>delayed due to the COVID-19 pandemic</i>	
Alim Examination (HSC Equivalent)	2019
Dhap Satgara Baitul Mukarram Model Kamil Madrasah, Rangpur	
Group: Science Result: GPA 4.88 out of 5.00 <i>Improvement</i>	
Dakhil Examination (SSC Equivalent)	2016
Khedabag Ekramia Fazil Madrasha, Lalmonirhat	
Group: Science Result: GPA 4.89 out of 5.00	

TRAINING & INDUSTRIAL EXPERIENCE

In-Plant Training

Institute: Training Institute for Chemical Industries (TICI), Polash, Narsingdi
Certification: Industrial Process Unit Operation & Process Control Technique
Duration: 14 Sep – 09 Oct 2024 (4 Weeks) | **Achievement:** A+ (1st among 47 trainees)
Topics Covered: HPLC, GC, UV-Vis, SCADA, PLC, DCS, water treatment, process control, and process optimization, Analytical Laboratory Techniques, Industrial Safety.

Industrial Internship

Institution: Shahjalal Fertilizer Company Limited (SFCL), Fenchuganj, Sylhet
Duration: July 2026 (14 Days) | **Evaluation:** A+
Gained practical exposure to ammonia and urea production, utility systems, ETP operation, process operations, quality monitoring, and bagging operations.

Pharmaceutical Workshop – “Industrial Career Growth”

Organized by: ACS Student Chapter, GSTU | **Duration:** 1 Day | **Date:** 28 December 2024
Guest Organization: Incepta Pharmaceuticals PLC, Essential Drugs Company Ltd.
Topics: GMP, GLP, SOP, CPPs, API, excipient, quality assurance, quality control, documentation, Pharmaceutical Industry Practices, and industry terminology.

Industrial Visit

Silco Pharmaceuticals Limited, Sylhet

Date: 11 October 2025 | **Duration:** 1 Day

Exposure to pharmaceutical manufacturing, production operations & quality-related practices.

MS Office Applications Course

EDGE-GSTUCSE Digital Skills Training

Project of Bangladesh Computer Council, ICT Division

Training Period: Dec 2024–Jan 2025 (2 months)

Academic Industrial visit

As a part of my B.Sc. Engineering program, visited and studied the following industries:

- DAP Fertilizer Co. Ltd., Chattogram
- TSP Complex Ltd., Chattogram
- Usmania Glass Sheet Factory Ltd., Chattogram
- Chittagong Urea Fertilizer Ltd., Chattogram
- Ghorashal Polash Fertilizer PLC, Narsingdi

RESEARCH EXPERIENCE & ACADEMIC PROJECTS

M.Sc. (Engg.) Thesis

Title: Lignin-Functionalized Graphene Oxide Derived from Coconut Shell for Removal of Textile Dyes.

Supervisor: Dr. Md. Kamruzzaman

B.Sc. (Engg.) Project - Review Study

Title: MXene-Polymer Composites in Smart Textiles: Functional Performance Assessment

Supervisor: Dr. Md. Kamruzzaman

SKILLS

Technical & Laboratory Skills

- Instrumentation, Process Monitoring & Simulation
- Sample Preparation & Reagent Handling
- UV-Vis Spectrophotometry, HPLC & GC
- Knowledge of SOPs, GLP & GMP Practices
- SCADA, DCS & PLC Systems
- Chemical Analysis & Analytical Laboratory Techniques

Soft Skills

- Leadership & Team Coordination
- Communication & Teamwork
- Analytical Problem-Solving
- Time Management & Ability to Work Under Pressure
- Attention to Detail & Adaptability

Software Skills

- Microsoft Word, Excel & PowerPoint
- Aspen Plus & DWSIM
- Adobe Photoshop, Adobe Illustrator
- OriginPro, ChemDraw & GaussView 6

Language Skills

- Bangla: Native
- English: Working Proficiency

EXTRACURRICULAR ACTIVITIES

BADHAN (A Blood Donor Organization)

President, BADHAN Khulna Zone & Zonal Representative, BADHAN GSTU Unit (2026)
Coordinate blood donation activities, volunteer teams, and donor engagement.

ACS Student Chapter, GSTU

Founding Member & Treasurer (2024-2025)
Contributed to organizing academic, professional development, scientific, and industry-oriented activities for chemistry students.

Come for Road Children (CRC)

Active Member since 2020
Participated in community service and social welfare activities.

PERSONAL INFORMATION

Name	:	Shariful Islam
Father's Name	:	Manik Mia
Mother's Name	:	Shahanaj Parvin
Date Of Birth	:	1 st June 1999
Blood Group	:	A+
NID No.	:	1027497856
Marital status	:	Unmarried
Nationality	:	Bangladeshi
Religion	:	Islam
Present Address	:	Gopalganj, Dhaka

REFERENCE

Dr. Md. Kamruzzaman

Professor,
Dept. of Applied Chemistry and Chemical Engineering
Gopalganj Science & Technology University.
